

## **III. WATERSHED INVENTORY**

### **TABLE OF CONTENTS**

<b>I. Introduction</b>	<b>p 1-1</b>
<b>II. Geology</b>	<b>p 2 -4</b>
Glacial & bedrock geology	
Ecoregional context	
Soils	
<b>III. Biology</b>	<b>p 5 -10</b>
Aquatic biology	
Macroinvertebrates	
Mussels	
Fish	
Terrestrial biology	
Amphibians, reptiles, and mammals	
Vegetation	
<b>IV. Hydrology</b>	<b>p 11 -30</b>
Climate	
Hydrologic cycle	
Surface water	
Wetlands	
Surface water	
Groundwater	
Alum Creek Lake Reservoir & stream flow	
Flood potential	
Lowhead dams	
Tributaries	
Land use	
Land cover	
Impacts of impervious cover	
Protected lands	
Land use history & trends	
Land use trends by area	
<b>V. Cultural Resources</b>	<b>p 31 -43</b>
Watershed history	
Native Peoples & early European settlement	
Historical points of interest	
Naming of Alum Creek	
The Underground Railroad	
Current population demographics	

- Recreation
  - Parks, trails, and the Alum Creek greenway
  - Boating: access and lowhead dams
  - Fishing: consumption advisories
  - Swimming and wading: primary and secondary contact recreation
  - Cultural amenities
- Public water supply
  - Alum Creek Lake reservoir
  - Alum Creek
  - Ground water
  - Other intakes

**VI. Previous and Complimentary Efforts** **p 44 -45**

**VII. Physical Attributes** **p 46 -53**

- Introduction
- Alum Creek Lake Reservoir to Schrock Road
- Schrock Road to I-670
- I-670 to SR-104
- SR-104 to confluence
- Status and trends

**IX. Water Resource Quality** **p 54 -85**

- Water quality evaluations
  - Use designations
  - Numeric criteria
  - Narrative “free from” criteria
- Summary results of Ohio EPA Alum Creek studies
  - Water chemistry
  - Sediment chemistry
  - Physical habitat
  - Biotic indicators of water quality
- Point sources
  - NPDES permits
  - Combined & sanitary sewer overflows
- Nonpoint sources
  - Phase I & II stormwater regulations
  - Sedimentation
  - Bacteria and unsewered areas
  - Nutrients
  - Toxics
  - Industrial storm water permits
  - Debris
  - Habitat disturbances
- Status & trends
